1. PURPOSE OF THE DOCUMENT

The present document sets the rules of the international call for tenders n° **10/2024/CC**, launched by ONDA to select the service provider of « **Management of CIP Lounges and CIP Meet and Assist services in Moroccan airports** »

Call for tenders N° : **10/2024/CC** is launched as **A SINGLE BATCH**.

Perimeter of the call for tenders :

The present call for tenders is related to ONDA CIP lounges located in international « departure » areas in the airports listed below as described in Article 2 of the Requirements Specification Document of the call for tenders **N° 10/2024/CC**

Airports		Number of CIP Lounges International Departure Area	Surface (m²)
Casablanca MohammedV	T1	2	350
			280
	T2	1	205
Marrakech Ménara		1	680
Rabat Salé New Terminal		1	400
Tanger Ibn Batoutta		1	125
Agadir Al Massira		1	180
Fes Saiss		1	92
Oujda Angads		1	181
Laayoune Hassan 1er		1	38
Dakhla		1	48

One service provider shall be selected to ensure the management of ONDA CIP lounges and meet and assist services of the perimeter of the call for tenders.

The present Bid Rules Document is elaborated accordingly with the « Rules of allocation of concessions of the “Office National Des Aéroports” and the rules related of their management and their control » namely, provisions of Chapter IV, First Section.

2. TENDERERS' BID PRESENTATION

The bids shall be presented under sealed folders and shall be:

- Whether, submitted under sealed folder to ONDA registration bureau no later than **Monday May 20th, 2024 at 09H30 Moroccan Time.** A receipt shall be given to the tenderer.
- Or, submitted under sealed folder, to the President of the Commission, at the beginning of the public session, and before the beginning of the bid opening on **Monday May 20th, 2024 at 10H00 Moroccan Time**

NB : The place and deadline of the bid deposit are mentioned in the Call for Tenders Notice

Tenderers shall comply with the following instructions, and provide every required information. Otherwise, their bid shall be rejected. They shall provide exhaustive and accurate information as required in the present Bid Rules Document.

The Bid folder for the present Call for Tenders shall include:

- **An Administrative and Professional Qualifications Folder** as defined in Chapter 3.1 hereafter.
- **A Commercial Folder** as defined in Chapter 3.2 hereafter.
- **A Financial Offer Folder** as defined in Chapter 3.3 hereafter.

The Bid folder documents shall be written in **Arabic, French or English**. It consists of three (03) envelops **sealed and stamped** and presented following the instructions below:

- A sealed and stamped envelope containing the **Administrative and Professional Qualifications Folder**.
- A sealed and stamped envelope containing the **Commercial Folder**.
- A sealed and stamped envelope containing the **Financial Offer Folder**.

Any received bid can be withdrawn before the day and the specified time of the opening of the bids in public session. Bid withdrawal shall be requested in written, formally signed by the tenderer or his representative duly empowered. The tenderers having withdrawn their bids can present new offers. The deadline of reception ends at the day and the time of the opening of the bids mentioned in the Call for Tenders Notice.

All the envelops shall mention clearly the name of the Folder, the name of the Tenderer, the Number and the Purpose of the Call for Tenders.

The three envelops shall be inserted in a Wide Format Envelop, firmly sealed and stamped mentioning:

- The name and the address of the tenderer.
- The purpose of the **Call for tenders N° 10/2024/CC: « Management of CIP Lounges and CIP Meet and Assist services in Moroccan airports »**.
- The day and time of the public session for bids opening.
- Explicit mention, clearly written: **« the present bid shall be opened only by the President of the Commission during the public session for bids opening »**

3. SUBMISSION FOLDERS CONTENTS:

3.1 ADMINSTRITVE AND PROFESSIONAL QUALIFICATIONS FOLDER CONTENTS

The Administrative and Professional Qualifications Folder shall contain:

3.1.1 Administrative folder

A1. Sworn statement, in **TWO copies**, committing the tenderer to provide accurate information. The sworn statement shall be provided according to the model in **appendix A** and signed by the legal representative of the Tenderer.

A2. A certificate dated less than one year from the competent tax administration, or its authenticated copy, testifying that the tenderer is in a regular situation. This certificate shall mention the activity of which the tenderer pays his taxes.

NB : The document named « demande attestation de régularité fiscale » of the Moroccan Tax administration is not accepted for Moroccan Tenderers.

A3. A certificate dated less than one year from the competent social security administration, or its authenticated copy, testifying that the tenderer is in a regular situation. For Moroccan Tenderers, the competent administration is la “Caisse Nationale de la Sécurité Sociale” (CNSS).

A4. Registration Document to the Commercial Register, or its authenticated copy, for legal entities subject to the obligation of registration according to their national legislation.

A5. All documents justifying the powers of the representative of the tenderer empowered to sign the documents of the present Call for Tenders

- For natural persons acting for their own benefit: no document needed
- For natural persons represented by another person:
 - A duly registered power of attorney granting powers to the representative to sign the document of the present tender, or its authenticated copy.
- For corporate entities: the representative shall provide following the cases:
 - An authenticated copy of the company statutes mentioning the identity of the Legal Representative and the powers that are granted to him/her,
 - If the statutes do not mention the identity of the Legal Representative, the tenderer shall provide an authenticated copy of the legal act of the General Assembly (or Administration Board) that named the Legal Representative.
 - If the representative of the tenderer is different from the Legal Representative named by the General Assembly (or Administration Board), the tenderer shall provide a duly registered power of attorney, or its authenticated copy, granting powers to the representative to sign the documents of the present tender on behalf of the tenderer.

A6. Receipt of provisional deposit or a bank guarantee testifying a joint and several guarantee, delivered by a Moroccan authorized institution, according to the French model provided in **appendix B**. The amount of the deposit shall be **Five Hundred Thousand Moroccan Dirhams (MAD 500,000.00)**.

A7. Bank certificate testifying that the tenderer has the financial capabilities to ensure the commitments of the present Call for tenders following the economic model to be elaborated by the tenderer.

A8. A certificate of regularity of payment delivered by the Financial Department of ONDA dated less than two months for the tenderers that are already in a commercial relationship with ONDA.

A9. The commitment of the tenderer to achieve necessary works and start operations at the required deadlines, according to the model given in **appendix C**, duly signed by the legal representative of the tenderer.

A10. The Requirements Specification Document duly initialled at all pages and dated and signed at the last page with the mention « **Read and approved** »

A11. In case of consortium, the tenderer shall provide the **Convention of Groupment** or its authenticated copy duly signed by all the members of the consortium.

Foreign tenderers:

Foreign tenderers, not having permanent subsidiary in Morocco, shall provide the equivalent of the required documents mentioned in A2, A3 and A4, delivered by their national administrations or their local competent organizations.

If their national administrations or their local competent organizations do not deliver such documents, the foreign tenderer shall replace the required document with a self-declaration authenticated by a legal authority, or administration, or notary or a professional organization from their home country.

Consortiums :

- Required documents A1, A2, A3, A4, A5, A6 and A8 shall be provided for each member of the consortium
- A6 : provisional deposit or bank guarantee can be subscribed following one of the options below :
 - a) On behalf of the consortium
 - b) By one or several members of the consortium as per the total amount of the guarantee
 - c) By each member of the consortium in a way the sum of the amounts of the guarantees is equal the required amount.

In case of b) and c) the provisional deposit shall mention that the guarantee is given on behalf of the consortium and, in case of failure of one or several members of the consortium, the guarantee shall be seized by ONDA independently from the failing member.

- A9 : the commitment shall be signed by all members of the consortium or the Leader partner of the consortium
- A10 : the Requirements Specification Document shall be signed by all the members of the consortium
- A11 : A Convention of Groupment shall detail the role and responsibilities of each member. The groupment shall be « joint-and-several liability » **OR** « joint-liability-only ». The convention of groupment shall mention the type of groupment following the option chosen by the members.

3.1.2 PROFESSIONAL QUALIFICATIONS FOLDER

The Tenderer shall present a unique Professional Qualifications Professional Folder, containing:

1) A general presentation of the tenderer or the consortium including at minimum the following topics:

Q1. General description of the organization, human and material resources.

Q2. Description of the activities of the tenderer.

Q3. Description of the organization and the strategy of the tenderer in **managing CIP Lounges and CIP Meet and Assist services.**

2) A detailed presentation of the tenderer regarding its experience in managing CIP Lounges and CIP Meet and Assist services. The presentation shall include at minimum the following items:

Q4. A certificate **signed by the tenderer** specifying the number of years of experience of the tenderer in the industry of management of CIP lounges in airports and CIP meet and assist services;

Q5. The experience of the management team in CIP lounges CIP meet and assist services in airports;

Q6. A list, **signed by the tenderer**, mentioning the **number of CIP lounges** in each airport, **managed by the tenderer's own means.**

Q7. Detailed description of CIP services offered by the tenderer in airports.

Q8. Human and material resources available in the airports in which the tenderer manages CIP lounges and CIP meet and assist services by the **tenderer's own means.**

Q9. At least, two reference certificates, **written in French, English or Arabic**, delivered by airports in which the tenderer ensures **by his own means** the management of CIP lounges and CIP meet and assist services. **The reference certificates shall be original or authenticated copies.**

Q10. A certificate **from an external authority or person (statutory auditor, external auditor, tax administration, etc.)**, detailing, separately, the revenues of 2022 and 2023, generated by the tenderer from CIP lounges and CIP meet and assist activities per airport.

Q11. A list, **signed by the tenderer**, detailing the number of passengers handled by the tenderer in CIP lounges in airports managed **by his own means** during 2022 and 2023 for each airport.

NB : Aside the documents above, the tenderers are allowed to present any information they consider relevant to prove the experience they developed regarding the purpose of the present call for tenders and how adequate it is as per the present call for tenders.

3.2 COMMERCIAL FOLDER CONTENTS

The tenderer shall provide a detailed presentation of the company and its vision of the organization and the management of the operations in all airports concerned by the present call for tenders. Any aspect that may be considered relevant by the tenderer can be added in the Commercial Folder

3.2.1 METHODOLOGY NOTE

The tenderer shall present a methodology note describing the global process of CIP lounges management and CIP meet and assist services, namely:

3.2.1.1 Handling CIP:

- CIP meet process, at the departure and the arrival, detailing all the steps of the process and the tenderer's teams intervention at each step.

NB : The CIP operator is not allowed to provide assistance to passengers during border control procedures (police and customs)

- The conditions of transport of CIP from aircraft to terminal when the aircraft is parked remotely.
- The process of CIP assistance during the delivery and the carrying of luggage
- Communication means to be put in place for passengers
- Passengers claims and complaints process
- Data reporting system to ONDA
- Quality of service KPIs reporting system

The list above is not exhaustive and it is given for information only. The tenderers are invited to provide all the details considered relevant regarding the operational CIP processes in airports.

3.2.1.2. Human and material means

The tenderer shall provide the proper organization needed to manage CIP lounges and CIP meet and services in Moroccan airports aimed by the present call for tenders, and all the needed human and material means that shall be available during the period of the convention. The tenderer shall present at least the following items:

Human resources:

- Organization chart intended to be put in place for managing this activity in Morocco.
- Organization chart for each Moroccan airport to ensure operations
- For each airport, the tenderer shall provide the resumé of the local manager, in charge of all CIP services.
- For each airport, the tenderer shall provide the needed number of employees to be hired for a 24h/7D running CIP operations
- The share of temporary staff to carry out CIP services in the airports
- The policy in terms of continuous training of operational staff.
- Photos of the uniforms the tenderers' employees shall wear per category (lounge staff, meet and assist staff and luggage staff)

Material means

- Material means, furniture, equipments to be installed in each lounge.
- Control access system to lounges (E-gates) that enables records' conservation and reporting data in each airport of the present call for tenders.
- Means to put in place by the tenderer to transport CIP within airside area.
- Any other material means the tenderer may consider relevant in airports (CIP transport inside the terminal ...)

3.2.1.3. CIP services in the lounges

The tenderer shall present in the commercial offer, the services offered to CIP in the lounges, namely :

- A list of offered services to CIP in lounges.
- A description of the digital tool needed to sell the offered services 24h/7D (booking, modification, reporting, records etc.)
- A description of CIP loyalty program
- Available solutions for electronic payments for CIP customers and business operators
- Invoice editing system at the request of CIP customers and business operators
- Internet access and high speed WIFI in all airports
- Catering in the lounges
- Procedures related to the management of food and beverages inside the lounge: production, supply, reception, conservation inside the lounges, conditioning, expiry dates tracking.

3.2.1.4. CIP quality of service:

The tenderer shall present, in the commercial offer, a description of the policy to control and to improve the quality of service for CIP, namely:

- Management system of quality of service intended to be implemented to improve the quality of services
- Customers feedback solutions including instant feedback solutions measuring the CIP satisfaction level
- The policy to control and track the quality of service in each lounge,
- Reporting system to consolidate satisfaction KPIs of the offered services in each lounge and for each service (lounge, meet and assist)

3.2.1.5. Financial and economic viability:

The tenderer shall present a financial and economic study to confirm the viability of the project during the period of the convention.

The purpose of the study is to verify the economic viability of the offer, necessary to run operations in a long-term way.

The study shall rely on an assumption of CIP traffic evolution to be defined by the tenderer, and shall include at least the following information:

- An estimation of the customers' portfolio per category (airline companies, credit card companies etc.). This portfolio shall be defined at the start of operations and shall evolve according assumptions all along the duration of the convention.
- Revenues of each year of the convention.
- Initial investment at the start of the convention and the investment plan of each year of the convention.
- Investment financing program during all the period of the convention,
- Forecast P&L of each year of the convention, **the fees to be paid to ONDA regarding the convention shall not be included**

WARNING: if the Forecast P&L reveals the fees to be paid to ONDA, the offer shall be rejected

3.2.2. COMMERCIAL DEVELOPMENT:

The tenderer shall present in the commercial offer the marketing and commercial strategy and the development plan to be implemented during the period of the convention.

3.2.3 LOUNGES LAYOUTS AND EQUIPMENTS

In the commercial offer, the tenderer shall present **a sample project of a lounge design**: layouts, decoration, furnishing and equipment according the terms and conditions of the Requirements Specification Document. The tenderer shall provide at least:

- 3D graphics of the lounge, interior and exterior designs, with furniture and equipments etc.

3.3 FINANCIAL OFFER FOLDER

From Jan 1st, 2025 to the end of the convention, the tenderer shall offer to ONDA a **variable commercial fee not less than 20% calculated on the basis of all generated revenues from CIP services**.

The commercial fee is subject to an Annual Guaranteed Minimum for all CIP services in all airports aimed by the present call for tenders.

The commercial fee shall be paid to ONDA in addition of the rental fees of premises (see Requirements Specification Document article 9)

The financial offer shall contain:

1. A **variable commercial fee** not less than 20% of the CIP revenues for each year of the convention, **starting from Jan 1st, 2025**,
2. The **Annual Guaranteed Minimum** for all CIP services in all airports, of each year of the convention, **starting from Jan 1st, 2025**, according to the model provided in appendix D.

The financial offer of variable commercial fees and the Annual Guaranteed Minimum shall be presented according the model in appendix D of the present Bid Rules Document.

The Variable Commercial Fee and Annual Guaranteed Minimum offered by the tenderer shall not be less than the figures mentioned in the article 9 of the Requirements Specification Document 10/2024/CC.

4. TENDER PROCEDURE AND RATING CRITERIA:

The commission in charge of the bids examination shall meet in a **public session** at the day and time and in the place mentioned in the Call for Tenders Notice. The commission shall proceed as follows:

1. First, opening of the « **Administrative and Professional Qualifications** » Folders in **public session**.

The President of the Commission shall open the envelopes with the mention « Administrative and Professional Qualifications » and lists all the documents contained in the envelopes. After this formality, the public session shall be ended and the tenderers shall be invited to leave the room.

2. The examination of the « **Administration and Professional Qualifications Folders** » shall be proceeded **behind closed doors**.

The commission members shall meet behind closed doors to verify the documents according to the requirements of the present Bid Rules Document. The tenderers that provide all required and compliant documents, shall be qualified.

3. The **public session** shall then be resumed and the President shall announce the list of qualified tenderers without specifying the reasons behind elimination of the disqualified tenderers.

The President shall turn back the **sealed** envelopes with the mention « Commercial Folder » and « Financial Folder » to the disqualified tenderers, in return for a receipt.

The President shall then open in public session the sealed envelopes with the mention « **Commercial Folder** » of the qualified tenderers and shall announce all the documents contained in the folders. After this formality, the public session shall be ended and the tenderers shall be invited to leave the room.

4. The examination of the « Commercial Folders » shall be proceeded **behind closed doors**.

The Commission shall meet behind closed doors and proceeds to the evaluation and rating of the Commercial Offer according to the following criteria:

1. Tenderer's experience	Mark n°1 out of 40 pts
1.1 Number of years of experience in managing CIP lounges and CIP meet and assist services (Q4): - Experience <= 3 years: 0 point - 3 < Experience <= 10 years: 5 points - Experience > 10 years: 10 points	Out of 10 pts
1.2 Number of CIP lounges in airports managed by the tenderer by his own means (Q6): - Number of lounges < 2: 0 point - Number of lounges >=2 : 1 point to each CIP lounge capped to 10 points	Out of 10 pts
1.3 Number of reference certificates delivered by airports where the tenderer manages CIP lounges and CIP meet and assist services (Q9): - less than 2 certificates: 0 point - 2 <= Number of certificates <= 5: 1 point for each certificate. - Number of certificates > 5 : 10 points	Out of 10 pts
1.4 Activity carried out by the tenderer in 2022 and 2023 in the airports lounges - Number of passengers handled by the tenderer in CIP lounges in airports managed by his own means (Q11). <i>Maximum mark shall be given to the tenderer with the highest average number of 2022 and 2023 passengers. The other tenderers shall be given prorata marks</i> - Revenues generated from CIP lounges management and CIP meet and assist services (Q10). <i>Maximum mark shall be given to the tenderer with the highest average number of 2022 and 2023 passengers. The other tenderers shall be given prorata marks</i>	Out of 5 pts Out of 5 pts
2. Methodology Note (3.2.1)	Mark n°2 out of 20
- CIP handling (3.2.1.1) - Human and material means (3.2.1.2)	
3. Commercial abilities	Mark n°3 out of 10
- Description of the digital tool needed to sell the offered services 24h/7D (booking, modification, reporting, records etc.) (3.2.1.3) - Estimation of the customers' portfolio for each category (airline companies, credit card companies etc.). (3.2.1.5) - Forecast P&L for each year of the convention, not including the fees to be paid to ONDA regarding the convention. (3.2.1.5)	
4. CIP Quality of service (3.2.1.4)	Mark n°4 out of 20
- Management system of quality of service intended to be implemented to improve the quality of services - Customers feedback solutions including instant feedback solutions measuring the CIP satisfaction level - The policy to control and track the quality of service in each lounge, - Reporting system to consolidate satisfaction KPIs of the offered services in each lounge and for each service (lounge, meet and assist)	

5. Lounges layouts and equipments (3.2.3)	Mark n°5 out of 10
- 3D graphics of the lounge, interior and exterior designs, with furniture and equipments etc.	
Commercial Mark (CM) = Mark n°1+ Mark n°2+ Mark n°3 + Mark n°4 + Mark n°5	CM out of 100

Only commercial folders of the tenderers that provide all required compliant documents in their « Administrative and Professional Qualifications » shall be evaluated.

A mark of 0 disqualifies the tenderer at the following criteria : 1.1 – 1.2 – 1.3

Only the bids of the tenderers that obtain a commercial mark higher than 70/100 shall be qualified (minimal accepted mark is 70/100)

Once commercial folders examination ends, the president of the commission shall call back all the tenderers for a public session to announce the results of the evaluation of the commercial offers and shall proceed to the opening of the financial offers.

5. Opening in **public session** of the « **Financial Offer Folders** » of the qualified tenderers

The president of the commission shall open the envelops with the mention « Financial Offer » and announces all the documents contained in the folders. After this formality, the public session shall be ended and tenderers shall be invited to leave the room.

6. The examination of the « **Financial Offers** » shall be proceeded **behind closed doors**.

The Commission shall meet behind closed doors and shall proceed to the evaluation and rating of the Financial Offers according to the following criteria:

1. Variable commercial fee	Mark 1 out of 50 points
Maximum mark shall be given to the tenderer offering the highest mean of variable commercial fees over the 10 years of operations. The other tenderers shall be given prorata marks.	
2. Annual Guaranteed Minimum (in Moroccan Dirhams excluding VAT)	Mark 2 out of 50 points
Maximum mark shall be given to the tenderer offering the highest average sum of Annual Minimum Guaranteed over the 10 years of operations. The other tenderers shall be given prorata marks.	
Financial Mark (FM) = 20%*Mark 1+ 80%*Mark 2	FM out of 100 points

The tenderer with the highest financial mark (FM) shall be awarded the convention.

If two tenderers, or more, obtain the same « financial mark », the tenderer with the highest « commercial mark » shall be awarded the convention.

If two tenderers, or more, obtain the same « financial mark » and same « commercial mark », the President of the Commission shall ask them to propose a new Financial Offer and to submit it to the commission in a sealed envelope, in a maximum one week. If, two tenderers, or more, obtain the same « Financial Mark » regarding their new « Financial Offers », the President of the commission shall proceed to choose the awarded tenderer by random drawing lot in public session.

The tenderers shall be informed by letter of the result of the call for tenders at the end of the selection procedure.

The provisional guarantee of the selected tenderer shall be released once the convention is signed, and after the deposit of a bank guarantee, as mentioned in article 12 of the Requirements Specification Document.

The provisional guarantee shall be seized in the following cases:

- ✓ If the winner of the tender withdraws its offer during the period of validity of the offer
- ✓ If the winner of the tender refuses to sign the convention, during the period of validity of the offer

N.B:

- The period of validity of the offer is 90 days starting from the day of the opening of folders.
- The Envelop with the mention « Financial Offer » shall not be opened unless the folders « Administrative and Professional Qualifications » and « Commercial » are evaluated by the commission and the commercial mark is higher or equal to **70 points**

5. OPTIONAL SITES VISITS

Sites visits shall be planned for the benefit of the tenderer at their request following the appendix E of the present Bid Rules Document **no later than the April 12, 2024.**

Sites visits planning:

- Monday 04/15/2024: airport of Casablanca 10H00-12H00
- Tuesday 04/16/2024: airport of Tangiers 09H00-11H00, airport of Rabat 15H00-17H00
- Wednesday 04/17/2024: airport of Marrakech 10H00-12H00
- Thursday 04/18/2024: airport of Agadir 10H00-12H00
- Friday 04/19/2024: airport of Fez 09H00-11H00, airport of Oujda 17H00-18H00

6. LANGUAGES OF THE OFFER:

The bids, correspondence and all documents related to the call for tenders shall be communicated between ONDA and the tenderers in Arabic, French or English, except of bank guarantees that shall be provided in French by Moroccan banks.

Any information request shall be sent by mail or email to the President of the commission of the calls for tenders at the following addresses:

Pôle Marketing & Commercial
Office National Des Aéroports, Aéroport Mohammed V Terminal 1- Nouasser- Casablanca Maroc
Email : commercial@onda.ma

Any response given to a tenderer, following a request, shall be communicated to all the tenderers that had sent filled information sheet.

Similingly, any change in the present call for tenders shall be notified to each tenderer that had confirmed receipt.

The tenderers shall make sure their folders be received by ONDA at latest the day and time mentioned in the Call for tenders Notice. The tenderers are free to choose the convenient way to deliver their folders at ONDA before the required day and time, and if needed, at the public session mentioned in the notice. Any folder received after the public session shall not be accepted.

If confidential information is contained in a folder that the tenderer does not wish to be revealed to public or used by ONDA for any purpose than the evaluation of the offer, the following mention shall be reported to any page containing such confidential information:

« Provided information reported in the present document shall not be used, revealed, or reproduced, totally or partially, for any other purpose than the present call for tenders. If the provider of the present information wins the present tender, ONDA has the right to reveal, use, reproduce the provided information in accordance with the requirements of the convention, that follows the call for tenders. The present restrictive clause shall not restrict the right of ONDA to use the contained information if they are provided from other sources »
