Casablanca Aeropole, the cradle of the aeronautics industry in Morocco!

Aeropole, the first platform dedicated to cutting-edge industries, is a regional ecosystem of excellence that supports security, growth, and long-term investment.

Thanks to its strategic geographical location and ONDA's assistance in its establishment, this cluster has successfully attracted all of the major players in the aeronautics industry: "Safran Group, Airbus/Matis, Stelia, Cetim, UTC Aerospace...".

A trained, highly-skilled and dedicated ONDA team is ready to assist manufacturers with installation arrangements.
